

BIOGRAPHY

Bruce Hamilton, PE, PMP

Director

Navigant Consulting, Inc.

Bruce.Hamilton@navigant.com

Bruce Hamilton, PE, PMP, is a Director with Navigant Consulting, Inc. He has over 30 years of energy industry executive experience with demonstrated success in operations, asset and project management, and strategic planning associated with power generation projects. At Navigant, he has led strategic studies and provided expert witness testimony for power generation equipment manufacturers, electric utilities, developers, owner/operators, investors, trade associations, and governments. Mr. Hamilton was previously responsible for the on-site and remote operations and maintenance of power generation plants owned by Iberdrola Renewables (now Avangrid Renewables). He was VP-Independent Power Operations for LG&E Energy (previously E.ON U.S.), where he managed a portfolio of power generation projects throughout the U.S. and overseas. Mr. Hamilton holds a B.S. in chemical engineering from the University of California at Berkeley and an MBA from the Harvard Graduate School of Business Administration.
